As each day dawns . . .
Its a whole new world again.
Today is the best time to start making tomorrow worthwhile.

Paramount

May the knowledge
you've gained
be a source of wisdom
and happiness
that will serve you
all the days
of your lives.

Paramount

Yesterday is a memory
and tomorrow is a dream . . .
But today well lived
makes every yesterday

Editor's Note

Inspired by the accomplishments, achievements, and individual personalities of the students at Wittenberg, this annual attempts to capture and portray a part of their lives on paper. We sincerely hope that each one of you can identify with at least one page of this publication.

Special acknowledgments go first to my very dear friend Sue Guerin who put many hours into this book as Layout Editor and many more looking after me. Next, I would like to recognize our Paragon Representative, Wes Mirick, to whom we are indebted for training us and giving us encouragement and many laughs throughout the year. To Jan Mynchenberg, Tim Wertime, Tom Rownd, Sue Rendlesham, members of the layout and photography staffs and George Dehne, our Advisor, I am also grateful for their time and willingness to help. Lastly, I would like to thank all my close friends and colleagues for their support and faith in this production.

Sincere apologies go to those persons not included in sections of this book and individuals involved with areas incomplete in content: administration and faculty, theatre, girls' sports, guys' wrestling and tennis, Greeks, and organizations.

Thanks again to all! Please enjoy this yearbook in the same spirit in which it was created!
